Research of on-campus contacts for target survey school has been completed. Emails will be sent to these contacts in the coming weeks. Further, the final round of edits has been made to the survey itself.
- V. SEPTA  
Advisor Nilda Frazier reviewed several topics from SEPTA. YAC members should be aware of and should discuss at outreach events the new consolidated "System Status" website. This new page lists every SEPTA route and any events that have affected service on that line. Next, Ms. Frazier reviewed changes to route C and destination signs on Routes 4 and 16. Information specific to each of these topics was distributed on a handout. Finally, Ms. Frazier noted that the 8<sup>th</sup> World Congress on High Speed Rail will be held in Philadelphia in mid-July. A handout she distributed outlined the process for applying for volunteering positions. Applications are to be submitted no later than March 30, 2012.
